

## **ANNOUNCEMENT No. 2**

### **About organizing the international conference “Innovative Approaches to Teaching and Research in Applied Linguistics – APCAL HANU 2026”**

Following Announcement No. 1 of the international conference “*Innovative Approaches to Teaching and Research in Applied Linguistics – APCAL HANU 2026*”, the Organizing Committee (OC) has received a large number of abstract submissions, demonstrating the strong interest in and support for the conference from both Vietnamese and international scholars. The Organizing Committee sincerely hopes to continue receiving paper submissions and conference registrations from academics, researchers, lecturers, and doctoral candidates. We would also like to announce the following adjustments to the conference organization plan:

#### **1. Time and Venue and Format**

- **Time:** November 16-17, 2026
- **Venue:** Hall A1, Hanoi University (Km9 Nguyen Trai Road, Dai Mo Ward, Hanoi).
- **Format:** Hybrid format via Zoom Webinar.

#### **2. Conference Tracks**

The conference focuses on, but is not limited to, the following themes:

- Language Pedagogy;
- Language, Identity, Culture and Policy;
- Discourse, Translation and Interpreting;
- Language Assessment;
- AI, Big Data, and Digital Technologies in Language Education and Research.

#### **3. Featured Speakers:**

- Prof. Dr. Elke Stracke, Former President of the Applied Linguistics Association of Australia (ALAA), Professor of Applied Linguistics and TESOL in the Faculty of Education at the University of Canberra (UC);

- Assoc. Prof. Noriko Iwashita, President of the Applied Linguistics Association of Australia (ALAA), Associate Professor in the School of Languages and Cultures at The University of Queensland, Australia;

- Dr. Kayoko Hashimoto, PhD in Applied Linguistics, The University of Queensland, Australia;

- Prof. Paola Spinozzi, Pro-Vice-Chancellor for the Internationalisation of Teaching and Research, Professor of English Literature at the University of Ferrara with an interdisciplinary research focus at the intersection of literature, science, and culture;

- Dr. Paul J. Moore, Associate Editor of the Australian Review of Applied Linguistics, Senior Lecturer in the Applied Linguistics program at The University of Queensland.
